Docket No. 98N-1265

Food and Drug Administration

Rockville, MD. 20857

MAY 18 4:55

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: The services provided by specialized  
pharmacies should be provided across state  
lines whenever a patient needs a particular  
drug compounded by that pharmacy. It will  
serve no purpose to restrict the patient's freedom  
of choice
